- Knowledge, skills, and application of Transformational Breath® on a professional level, through exposure, with immediate feedback
- Advanced breathing analysis techniques
- Enlightened coaching skills
- Expansions of intuitive capabilities
- Accelerated personal growth and evolution through the reflective process in a residential environment
- An international family network of breathers & facilitators
- A deeper commitment to Transformational Breath®

Joël Jégo: Senior Trainer, France's Leader for the Transformational Breath® Foundation. After 26 years acting in finance executive positions for corporate organisations in France and abroad, followed by an intensive path of trainings and personal development experiences, Joël moved to a career comprising executive coaching and personal development. Passionate by the transformational power of conscious breathing, his mission is to support others to improve the quality of their life both personal and professional.

Indalecia Ziritt: Senior Trainer, Leader of the Transformational Breath® Foundation for Italy & Spain, she also leads training in other countries in Europe. Following continuous studies and experiences for many years, Indalecia consciously found the understanding of the human being potential throughout her inner personal growing, spiritual path and self-expression with different modalities: Chinese Medicine, Shiatsu, Conscious Breathing, Sound & Voice Healing... Her mission is to serve others supporting their personal growth and healing journey.
